LEGISLATIVE COUNSEL'S DIGEST

SB 946, as amended, ~~Committee on Health Steinberg. Public health. Health care coverage: mental illness: pervasive developmental disorder or autism: public health.~~

Existing law provides for the licensure and regulation of health care service plans by the Department of Managed Health Care. A willful violation of these provisions is a crime. Existing law provides for the regulation of health insurers by the Department of Insurance. Existing law requires health care service plan contracts and health insurance policies to provide benefits for specified conditions, including certain mental health conditions.

This bill, effective July 1, 2012, would require those health care service plan contracts and health insurance policies, except as specified, to provide coverage for behavioral health treatment, as defined, for pervasive developmental disorder or autism. The bill would provide, however, that no benefits are required to be provided that exceed the essential health benefits that will be required under specified federal law. Because a violation of these provisions with respect to health care service plans would be a crime, the bill would impose a state-mandated local program.

These provisions would be inoperative July 1, 2014, and repealed on January 1, 2015.

The bill would require the Department of Managed Health Care, in conjunction with the Department of Insurance, to convene an Autism Advisory Task Force by February 1, 2012, to provide assistance to the department on topics related to behavioral health treatment and to develop recommendations relating to the education, training, and experience requirements to secure licensure from the state. The bill would require the department to submit a report of the Task Force to the Governor and specified members of the Legislature by December 31, 2012.

~~(1) Existing law defines “telemedicine” for purposes of various provisions of existing law relating to the practice of medicine, among other things.~~

~~This bill would replace the term with “telehealth.”~~

~~(2) Existing law authorizes a county to establish an emergency medical services fund for reimbursement of emergency medical services (EMS)-related costs, and requires an annual report to the Legislature on the implementation and status of the fund, including the fund balance~~

and the amount of moneys disbursed to physicians and surgeons, for hospitals, and for other emergency medical services purposes.

This bill would require the report to provide additional information regarding the moneys collected and disbursed, including, but not limited to, a description of the other emergency medical services purposes, and the total amount of allowable claims submitted, if the moneys are disbursed to hospitals on a claims basis, and the names and contact information of the entity responsible for the collection and disbursement of prescribed funds. By increasing the duties of local officials, this bill would impose a state-mandated local program.

(3) Existing law, the California Retail Food Code, establishes uniform health and sanitation standards for retail food facilities, as defined. The law requires the State Department of Public Health to adopt regulations to implement and administer those provisions, and delegates primary enforcement duties to local health agencies. A violation of any of these provisions is punishable as a misdemeanor.

The code requires food employees to report to the person in charge of a food facility when a food employee has a lesion or wound that is open or draining unless specified conditions to cover or protect the lesion are met. The code requires all employees to wash their hands in specified instances, including before donning gloves for working with food. The code also requires gloves to be worn when contacting food and food-contact surfaces under specified conditions, including when the employee has any cuts, sores, or rashes. Gloves are required to be changed, replaced, or washed as often as hand washing is required.

This bill would require hands to be washed before initially donning gloves and before donning gloves after specified instances where gloves were required to be changed or replaced. The bill would prohibit single-use gloves from being washed. The bill would also prohibit an employee who has a lesion or wound that is open or draining from handling food and would require a food employee who has any cuts, sores, rashes, lesions, or wounds to cover or protect the lesion, as specified.

This bill would define “hotdog” for purposes of the code.

By changing the definition of a crime and increasing the duties of local enforcement officials, this bill would impose a state-mandated local program.

(4) Existing

Existing law establishes various communicable disease prevention and control programs. Existing law requires the State Department of

Public Health to establish a list of reportable diseases and conditions and requires health care providers and laboratories to report cases of HIV infection to the local health officer using patient names and sets guidelines regarding these reports. Existing law requires the local health officers to report unduplicated HIV cases by name to the department.

This bill would authorize the department to revise the HIV reporting form without the adoption of a regulation, as specified.

~~(5) Existing law, the Health Insurance Portability and Accountability Implementation Act of 2001, provides, until January 1, 2013, for an office in the California Health and Human Services Agency to assume statewide leadership and perform related activities for the implementation of the federal Health Insurance Portability and Accountability Act (HIPAA). Under existing law, the director of the office is required to establish an advisory committee to obtain information on statewide activities to implement HIPAA that is required to meet, at a minimum, twice each year. Existing law required that, during 2002, state entities subject to HIPAA assess its impact on their operations and that the office report that information to the Legislature.~~

~~This bill would transfer responsibility for the statewide implementation of HIPAA to the Office of Health Information Integrity in the California Health and Human Services Agency. The bill would delete the requirement of 2 annual meetings for the advisory committee, providing for meetings as required for coordination purposes. The bill would also delete the assessment and reporting requirements for state entities and the office, which were required to be completed in 2002.~~

~~(6) Existing law, the federal Patient Protection and Affordable Care Act, prohibits a health insurance issuer offering group or individual health insurance coverage from imposing any preexisting condition for children with respect to plan years beginning on or after September 23, 2010, and for adults with respect to plan years beginning on or after January 1, 2014.~~

~~Existing law prohibits the exclusion or limitation of health care coverage for children due to any preexisting condition, except as specified. Existing law requires a carrier to fairly and affirmatively offer, market, and sell all of the carrier's health benefit plans that are offered and sold to a child in each service area in which the plan provides or arranges for health care coverage during any open enrollment period, as specified. Existing law imposes specified requirements on a carrier or solicitor when offering, marketing, or selling those plans.~~

~~This bill would make necessary technical changes to these provisions and correct erroneous cross-references. The bill would revise provisions that reference “solicitor” to instead refer to an agent or broker, as specified.~~

~~(7) Under~~

~~Under the Bronzan-McCorquodale Act, the State Department of Mental Health administers the provision of funds to counties for community mental health services programs. Existing law also permits counties to receive, under certain circumstances, Medi-Cal reimbursement for mental health services. Under existing law, negotiated net amounts or rates are used as the cost of services in contracts between the state and the county and between the county and a subprovider of services. Existing law establishes the method for computing negotiated rates. Existing law prohibits the charges for the care and treatment of each patient receiving service from a county mental health program from exceeding the actual or negotiated cost of the services.~~

~~This bill would only allow the use of negotiated net amounts as the cost of services in a contract between the state and a county and the county and a subprovider of services, and would eliminate the use of negotiated rates. The bill would also specify that the charges for the care and treatment of each patient receiving a service from a county mental health program shall not exceed the actual cost of the service.~~

~~(8) Existing~~

~~Existing law establishes the Medi-Cal program, administered by the State Department of Health Care Services, under which basic health care services are provided to qualified low-income persons. The Medi-Cal program is, in part, governed and funded by federal Medicaid provisions. Under existing law, the State Department of Health Care Services promulgates regulations for determining reimbursement of Short-Doyle mental health services allowable under the Medi-Cal program. Existing law requires the State Department of Mental Health and the State Department of Health Care Services to jointly develop a ratesetting methodology for use in the Short-Doyle Medi-Cal system that maximizes federal funding and utilizes, as much as practicable, federal Medicare reimbursement principles. Existing law requires that this ratesetting methodology contain incentives relating to economy and efficiency.~~

~~The bill would delete the requirement that the ratesetting methodology in the Short-Doyle Medi-Cal system include incentives relating to economy and efficiency.~~

~~(9) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

~~With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

10 primary diagnosis of the patient shall obtain verbal and written
11 informed consent from the patient or the patient’s legal
12 representative. The informed consent procedure shall ensure that
13 at least all of the following information is given to the patient or
14 the patient’s legal representative verbally and in writing:

15 (1) The patient or the patient’s legal representative retains the
16 option to withhold or withdraw consent at any time without
17 affecting the right to future care or treatment nor risking the loss
18 or withdrawal of any program benefits to which the patient or the

2 ~~apply. For purposes of this section, “surrogate decisionmaking”~~
3 ~~means any decision made in the practice of medicine by a parent~~
4 ~~or legal representative for a minor or an incapacitated or~~
5 ~~incompetent individual.~~

6 ~~(h) Except as provided in paragraph (3) of subdivision (c), this~~
7 ~~section shall not apply when the patient is not directly involved in~~
8 ~~the telehealth interaction, for example when one health care~~
9 ~~practitioner consults with another health care practitioner.~~

10 ~~(i) This section shall not apply in an emergency situation in~~
11 ~~which a patient is unable to give informed consent and the~~
12 ~~representative of that patient is not available in a timely manner.~~

13 ~~(j) This section shall not apply to a patient under the jurisdiction~~
14 ~~of the Department of Corrections or any other correctional facility.~~

15 ~~(k) This section shall not be construed to alter the scope of~~
16 ~~practice of any health care provider or authorize the delivery of~~
17 ~~health care services in a setting, or in a manner, not otherwise~~
18 ~~authorized by law.~~

19 ~~SEC. 3.—Section 3041 of the Business and Professions Code is~~
20 ~~amended to read:~~

1 ~~(5) The use of topical pharmaceutical agents for the purpose of~~
2 ~~the examination of the human eye or eyes for any disease or~~
3 ~~pathological condition.~~

4 ~~(b) (1) An optometrist who is certified to use therapeutic~~
5 ~~pharmaceutical agents, pursuant to Section 3041.3, may also~~
6 ~~diagnose and treat the human eye or eyes, or any of its or their~~

15 ~~inflammatory keratitis, episcleritis, and unilateral nonrecurrent~~
16 ~~nongranulomatous idiopathic iritis in patients over 18 years of age.~~
17 ~~Unilateral nongranulomatous idiopathic iritis recurring within one~~

17 by the insurer, in which case the claimant shall be notified, in
18 writing, that the claim is contested or denied, within 30 working

22 for each reason the factual and legal basis known at that time by
23 the insurer for contesting or denying the claim. If the reason is
24 based solely on facts or solely on law, the insurer is required to

26 contesting or denying the claim. The insurer shall provide a copy
27 of the notice to each insured who received services pursuant to the

32 insured that either may seek review by the department of a claim
33 that the insurer contested or denied, and the notice shall include
34 the address, Internet Web site address, and telephone number of
35 the unit within the department that performs this review function.
36 The notice to the provider may be included on either the
37 explanation of benefits or remittance advice and shall also contain
38 a statement advising the provider of its right to enter into the

11 ~~for the claim, or has not been granted reasonable access to~~

32 ~~the insurer as defined in subdivision (a) of Section 2290.5 of the~~
33 ~~Business and Professions Code, shall reimburse each complete~~
34 ~~claim, or portion thereof, whether in state or out of state, as soon~~
35 ~~as practical, but no later than 30 working days after receipt of the~~
36 ~~complete claim by the insurer. However, an insurer may contest~~
37 ~~or deny a claim, or portion thereof, by notifying the claimant, in~~
38 ~~writing, that the claim is contested or denied, within 30 working~~
39 ~~days after receipt of the complete claim by the insurer. The notice~~
40 ~~that a claim, or portion thereof, is contested shall identify the~~

18 Internet Web site address, and telephone number of the unit within
19 the department that performs this review function. The notice to
20 the provider may be included on either the explanation of benefits
21 or remittance advice and shall also contain a statement advising
22 the provider of its right to enter into the dispute resolution process
23 described in Section 10123.137. An insurer may delay payment
24 of an uncontested portion of a complete claim for reconsideration

26 those charges specified in subdivision (b).

27 (b) If a complete claim, or portion thereof, that is neither
28 contested nor denied, is not reimbursed by delivery to the
29 claimant's address of record within the 30 working days after
30 receipt, the insurer shall pay the greater of fifteen dollars (\$15)
31 per year or interest at the rate of 10 percent per annum beginning
32 with the first calendar day after the 30-working-day period. An
33 insurer shall automatically include the fifteen dollars (\$15) per
34 year or interest due in the payment made to the claimant, without
35 requiring a request therefor.

36 (c) For the purposes of this section, a claim, or portion thereof,
37 is reasonably contested if the insurer has not received the completed
38 claim. A paper claim from an institutional provider shall be deemed
39 complete upon submission of a legible emergency department
40 report and a completed UB-92 or other format adopted by the

1 National Uniform Billing Committee, and reasonable relevant
2 information requested by the insurer within 30 working days of
3 receipt of the claim. An electronic claim from an institutional
4 provider shall be deemed complete upon submission of an
5 electronic equivalent to the UB-92 or other format adopted by the
6 National Uniform Billing Committee, and reasonable relevant
7 information requested by the insurer within 30 working days of
8 receipt of the claim. However, if the insurer requests a copy of the
9 emergency department report within the 30 working days after
10 receipt of the electronic claim from the institutional provider, the
11 insurer may also request additional reasonable relevant information
12 within 30 working days of receipt of the emergency department
13 report, at which time the claim shall be deemed complete. A claim
14 from a professional provider shall be deemed complete upon
15 submission of a completed HCFA 1500 or its electronic equivalent
16 or other format adopted by the National Uniform Billing
17 Committee, and reasonable relevant information requested by the
18 insurer within 30 working days of receipt of the claim. The provider
19 shall provide the insurer reasonable relevant information within
20 15 working days of receipt of a written request that is clear and
21 specific regarding the information sought. If, as a result of
22 reviewing the reasonable relevant information, the insurer requires
23 further information, the insurer shall have an additional 15 working
24 days after receipt of the reasonable relevant information to request
25 the further information, notwithstanding any time limit to the
26 contrary in this section, at which time the claim shall be deemed
27 complete.

28 (d) This section shall not apply to claims about which there is
29 evidence of fraud and misrepresentation, to eligibility
30 determinations, or in instances where the plan has not been granted
31 reasonable access to information under the provider's control. An
32 insurer shall specify, in a written notice to the provider within 30
33 working days of receipt of the claim, which, if any, of these
34 exceptions applies to a claim.

35 (e) If a claim or portion thereof is contested on the basis that
36 the insurer has not received information reasonably necessary to
37 determine payer liability for the claim or portion thereof, then the
38 insurer shall have 30 working days after receipt of this additional
39 information to complete reconsideration of the claim. If a claim,
40 or portion thereof, undergoing reconsideration is not reimbursed

1 by delivery to the claimant's address of record within the 30
2 working days after receipt of the additional information, the insurer
3 shall pay the greater of fifteen dollars (\$15) per year or interest at
4 the rate of 10 percent per annum beginning with the first calendar
5 day after the 30-working-day period. An insurer shall automatically
6 include the fifteen dollars (\$15) per year or interest due in the
7 payment made to the claimant, without requiring a request therefor.

8 (f) An insurer shall not delay payment on a claim from a
9 physician or other provider to await the submission of a claim from
10 a hospital or other provider, without citing specific rationale as to
11 why the delay was necessary and providing a monthly update
12 regarding the status of the claim and the insurer's actions to resolve
13 the claim, to the provider that submitted the claim.

14 (g) An insurer shall not request or require that a provider waive
15 its rights pursuant to this section.

16 (h) This section shall apply only to claims for services rendered
17 to a patient who was provided emergency services and care as
18 defined in Section 1317.1 of the Health and Safety Code in the
19 United States on or after September 1, 1999.

20 (i) This section shall not be construed to affect the rights or
21 obligations of any person pursuant to Section 10123.13.

22 (j) This section shall not be construed to affect a written
23 agreement, if any, of a provider to submit bills within a specified
24 time period.

3 ~~including any documentation submitted by the insurer supporting~~
4 ~~those changes.~~

5 ~~(f) If the department finds that an unreasonable rate increase is~~
6 ~~not justified or that a rate filing contains inaccurate information,~~
7 ~~the department shall post its finding on its Internet Web site.~~

8 ~~(g) Nothing in this article shall be construed to impair or impede~~
9 ~~the department's authority to administer or enforce any other~~
10 ~~provision of this code.~~

11 ~~SEC. 22. Section 10198.7 of the Insurance Code is amended~~
12 ~~to read:~~

13 ~~10198.7. (a) No health benefit plan that covers three or more~~
14 ~~persons and that is issued, renewed, or written by any insurer,~~
15 ~~nonprofit hospital service plan, self-insured employee welfare~~
16 ~~benefit plan, fraternal benefits society, or any other entity shall~~
17 ~~exclude coverage for any individual on the basis of a preexisting~~
18 ~~condition provision for a period greater than six months following~~
19 ~~the individual's effective date of coverage, nor shall limit or~~
20 ~~exclude coverage for a specific insured person by type of illness,~~
21 ~~treatment, medical condition, or accident except for satisfaction~~
22 ~~of a preexisting clause pursuant to this article. Preexisting condition~~
23 ~~provisions contained in health benefit plans may relate only to~~
24 ~~conditions for which medical advice, diagnosis, care, or treatment,~~
25 ~~including use of prescription drugs, was recommended or received~~
26 ~~from a licensed health practitioner during the six months~~
27 ~~immediately preceding the effective date of coverage.~~

28 ~~(b) No health benefit plan that covers one or two individuals~~
29 ~~and that is issued, renewed, or written by any insurer, self-insured~~
30 ~~employee welfare benefit plan, fraternal benefits society, or any~~
31 ~~other entity shall exclude coverage on the basis of a preexisting~~
32 ~~condition provision for a period greater than 12 months following~~
33 ~~the individual's effective date of coverage, nor shall limit or~~
34 ~~exclude coverage for a specific insured person by type of illness,~~
35 ~~treatment, medical condition, or accident, except for satisfaction~~
36 ~~of a preexisting condition clause pursuant to this article. Preexisting~~
37 ~~condition provisions contained in health benefit plans may relate~~
38 ~~only to conditions for which medical advice, diagnosis, care, or~~
39 ~~treatment, including use of prescription drugs, was recommended~~

3 ~~(e) (1) Notwithstanding subdivision (a), a health benefit plan~~
4 ~~for group coverage shall not impose any preexisting condition~~
5 ~~provision upon any child under 19 years of age.~~

6 ~~(2) Notwithstanding subdivision (b), a health benefit plan for~~
7 ~~individual coverage that is not a grandfathered plan within the~~
8 ~~meaning of Section 1251 of the federal Patient Protection and~~
9 ~~Affordable Care Act (Public Law 111-148) shall not impose any~~
10 ~~preexisting condition provision upon any child under 19 years of~~
11 ~~age.~~

12 ~~(d) A carrier that does not utilize a preexisting condition~~
13 ~~provision may impose a waiting or affiliation period not to exceed~~
14 ~~60 days, before the coverage issued subject to this article shall~~
15 ~~become effective. During the waiting or affiliation period, the~~
16 ~~carrier is not required to provide health care services and no~~
17 ~~premium shall be charged to the subscriber or enrollee.~~

18 ~~(e) A carrier that does not utilize a preexisting condition~~
19 ~~provision in health plans that cover one or two individuals may~~
20 ~~impose a contract provision excluding coverage for waived~~
21 ~~conditions. No carrier may exclude coverage on the basis of a~~
22 ~~waivered condition for a period greater than 12 months following~~
23 ~~the individual's effective date of coverage. A waived condition~~

25 ~~conditions for which medical advice, diagnosis, care, or treatment,~~
26 ~~including use of prescription drugs, was recommended or received~~
27 ~~from a licensed health practitioner during the 12 months~~
28 ~~immediately preceding the effective date of coverage.~~

29 ~~(f) In determining whether a preexisting condition provision, a~~
30 ~~waivered condition provision, or a waiting or affiliation period~~
31 ~~applies to any person, all health benefit plans shall credit the time~~
32 ~~the person was covered under creditable coverage, provided the~~
33 ~~person becomes eligible for coverage under the succeeding health~~
34 ~~benefit plan within 62 days of termination of prior coverage,~~
35 ~~exclusive of any waiting or affiliation period, and applies for~~
36 ~~coverage under the succeeding plan within the applicable~~
37 ~~enrollment period. A health benefit plan shall also credit any time~~
38 ~~an eligible employee must wait before enrolling in the health~~
39 ~~benefit plan, including any affiliation or employer-imposed waiting~~
40 ~~period. However, if a person's employment has ended, the~~

1 availability of health coverage offered through employment or
2 sponsored by an employer has terminated or, an employer's
3 contribution toward health coverage has terminated, a carrier shall
4 credit the time the person was covered under creditable coverage
5 if the person becomes eligible for health coverage offered through
6 employment or sponsored by an employer within 180 days,
7 exclusive of any waiting or affiliation period, and applies for
8 coverage under the succeeding plan within the applicable
9 enrollment period.

10 (g) No health benefit plan that covers three or more persons and
11 that is issued, renewed, or written by any insurer, nonprofit hospital
12 service plan, self-insured employee welfare benefit plan, fraternal
13 benefits society, or any other entity may exclude late enrollees
14 from coverage for more than 12 months from the date of the late
15 enrollee's application for coverage. No insurer, nonprofit hospital
16 service plan, self-insured employee welfare benefit plan, fraternal
17 benefits society, or any other entity shall require any premium or
18 other periodic charge to be paid by or on behalf of a late enrollee
19 during the period of exclusion from coverage permitted by this

25 condition exclusion to a condition relating to benefits for pregnancy
26 or maternity care.

27 (j) Any entity providing aggregate or specific stop loss coverage
28 or any other assumption of risk with reference to a health benefit
29 plan shall provide that the plan meets all requirements of this article
30 concerning waiting periods, preexisting condition provisions, and
31 late enrollees.

32 SEC. 23.— Section 10953 of the Insurance Code is amended to
33 read:

37 or the responsible party for a child in each service area in which
38 the plan provides or arranges for health care coverage during any
39 open enrollment period, to late enrollees, and during any other
40 period in which state or federal law, rules, regulations, or guidance

18 to the agent or broker for the sale of a health benefit plan to be
19 varied because of the health status, claims experience, industry,
20 occupation, or geographic location of the child. This subdivision
21 does not apply to a compensation arrangement that provides
22 compensation to an agent or broker of a carrier on the basis of
23 percentage of premium, provided that the percentage shall not vary
24 because of the health status, claims experience, industry,
25 occupation, or geographic area of the child.

23 receiving service from a county mental health program shall not
24 exceed the actual cost thereof as determined or approved by the

20 uniform patient fee schedule applicable to other mental health
